

-THE JEWISH HOLOHOAX-

Where Are The Six Million Birth Certificates?

The Second World War began in September of 1939 and drew to an end in May of 1945. In 1939, according to the records of the american jewish committee, bureau of synagogue council, there were 15.6 million jews in the world.

In 1946, on the authority of: (1) the World Almanac and Book of Facts (1947 edition, page: 488), (2) the american jewish committee, bureau of synagogue council, (3) the jewish statistical bureau, and, (4) the synagogue council of america, the world jewish population grew to 15.69 million.

With 9.4 million jews living in Europe, 5 million in North America, 100,000 in South America, and 1.3 million in the rest of the world. (In marked contrast to the jews- out of a population of 78 million, Germany suffered 3.5 million soldiers killed or missing, 4.6 million wounded, and, 2 million civilian deaths from 1939 to 1945. $5.5 / 78 / 5 = 1.41\%$ killed per year of the war.)

-THE JEWISH HOLOHOAX-

If, indeed, six million European jews really died in a 'holocaust' (sic). The 3.4 million European jews who survived (actually just 1.7 million females) would have to have given birth to 6.0 million children (3.5 children per jewish female) in the 20 month period beginning in May, 1945 and extending on up to December, 1946. How does a woman get pregnant and deliver a baby three and a half times in twenty months? How could 1.7 million jewish females all be of child bearing age? Where are the six million birth certificates? **Note:** The jew will argue that census data is too gross to detect the systematic killing of one third of their population. Yet the graph shows an obvious dip in the years 1947-1950. The period during which jews left Europe for israel. How could both secular and jewish census figures conceal an act of genocide and at the same time reveal a period of diaspora? Duh?

Reality Testing The Jewish Big Lie

Suppose, for the sake of argument, six million northern European jews (two thirds of the total nine million proven by census reports) were killed by the Nazi's during the years from 1939 on up to 1945. Each one of these jews would have to have had three birth certificates. One copy given to the family, a second kept in the hospital, and a third sent to the government headquarters of the province. Moreover, entries made in indelible ink in log books which were held safe from prying hands in the birth hospital and government records lockers in perpetuity.

Where are these records? If the Nazi's seized eighteen million birth certificates before they executed six million jews. There would still be entries in the chronologic logs maintained in hospital and government records rooms. Where are the twelve million log book entries for these six million jews, each entry **not** covered by a legitimate death certificate?

Now of course, the jew will rub his hands and drool and lisp and lie that the records were all destroyed in the allied bombing raids. But if the jews lost all their birth certificates in the air campaign. Then the Christians born in the same hospitals would have lost their birth certificates in the same bombing raids. And as jews were outnumbered by Christians in Germany during the war years in a ratio of not less than twenty to one. The jews would be able to produce one hundred and twenty million Germans, each German without a birth certificate. Where are the one hundred and twenty million Germans, each German lacking a legitimate birth certificate?

Did the allied bombers only drop bombs on jewish hospitals? Did the bombs land on Christian hospitals but only destroy the jewish birth certificates in the records rooms?

Where Are The Buried Remains Of The Victims?

The composite picture beneath these lines, due to the efforts of a Mister David Dees, proves beyond all shadow of doubt that no jews were victims of genocide during the war years in the communities of Treblinka and Belzec.

While it is true that the German people set up detention centers for the jews during the Second World War. Much as the Americans did for the Japanese. The fact is that jews went to these camps eagerly, and of their own free will. First, to escape the allied bombing campaign, a rain of terror from above orchestrated to slaughter innocent German civilians by the millions. Second, the jews relocated in an effort to find work. Auschwitz, for example offered jobs to thousands as employees in a nearby synthetic rubber plant that manufactured tires.

Where Are The Cyanide Residues?

A sad fact about jews is that not only are they burdened down by weak minds, the average I.Q. in israel is just 90 points, 10 points less than in the United States. But that all the genetic markers for mental illness discovered to date are original to and epidemic within the jewish community.

Zyklon-B insecticide, used to kill lice in the Auschwitz delousing chamber, (above) caused distinct blue staining on all the walls. This is the same poison Zionists claim was used to exterminate millions of jews in the notorious gas chambers. In 1990, Dr. Piper, top Auschwitz museum official (right) with The Institute of Forensic Research in Krakow, scientifically tested the walls of the gas chamber (below) and discovered no staining and near zero residue of anything toxic. This data is being withheld from the public.

Hebephrenic Schizophrenia, a condition in which the affected often 'forget' to bathe and surround them selves with ceiling high stacks of newspapers, and cardboard boxes filled with junk, is a common disorder among the jews. Poor hygiene as a character trait is the reason jews were required to have their clothes deloused in giant room sized chambers. Zyklon B was a fumigant, a delousing agent, and a precursor to DDT. It was never used in any manner calculated to bring harm to the jews.

Where Are The Millions Of Lamp Shades?

From the very first moment of the Second World War, jews all over the world flourished lamp shades made out of skin. The flesh crudely tattooed with a six pointed star and a number. In a raucous chorus they proclaimed the lamp shades had been made by the brutal Nazi's out of the skin of jews. But now that we have DNA tests, able to tell the difference between the flesh of a pig and the flesh of a jew. Each and every one of those lamp shades disappeared overnight. Where did the millions of lamp shades go?

International Red Cross records make perfectly clear. The fact that only 271,301 jews died in the thirteen detention centers built to house displaced persons over the years from 1939-1945. A mortality rate ($271,301 / 9,400,000 / 5.0 \text{ yrs} = 0.58\%$ per year) completely consistent with natural causes of death such as: old age, typhus infections, syphilis, and so on and so forth. German death rate over the same period = 1.41%

As Mister Dees proves in the illustration beneath these lines. The holohoax was a jewish hoax from the very beginning. Faced with the truth of an honest review of a meticulous set of records, the jew downgraded his Ponzi scheme.

The notion the German people killed a million and a half jews is as much of a lie as the claim that six or even four million were killed. But still the jew, as Jesus Christ remarked- "*When he*" (the jew) "*speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*" (John 8:44)

-THE JEWISH HOLOHOAX-

In 1945 advance units of the Soviet Army seized all of the official records of the SS camp system sited in Oranienbaum, north of Berlin. This data base, which became public after the fall of the communist system, gives monthly census counts for all the camps from 1935 on up to 1945. Every month the camp commandants made full reports to the camp administration head quarters. Numbers were also sent by radio to Berlin and duly intercepted by British Intelligence listening posts. They contained totals of inmates entering, transferring out, or dying while interred, meticulously broken down by age, sex, and ethnic origin.

Records kept by the German Reichsbahn or State Railway System, now housed in the German State Archives in Koblenz Germany, corroborate the figures reported by camp officials. Moreover, the British Intelligence radio intercepts, specifically those from Auschwitz, are also in good agreement with the official German records. In each instance when the death rate at a particular camp was higher than for the surrounding community. The disparity could be proven to be due to raging typhus epidemics and not by any form of abuse- certainly not homicidal gassings.

The International Red Cross audit of January 16, 1984 clearly documents a total of 282,077 deaths at the camps. Deaths due to natural causes were reported in triplicate. If the manner of death was something other than natural 23 copies were issued. Although the German government maintained roughly 3000 detention centers, only 90 of these were of any significant size. Most were satellites housing from 30 to 40 inmates. The main camps followed the rules and regulations of the AMT D in Berlin on the method of recording births and deaths. As the camps were in operation for a twelve year period from 1933 to 1945, there were on average, only 261 deaths per camp per year.

Allied Air Forces made major contributions to the total number of deaths. In Dora-Mittelbau, for example, 1,700 inmates perished in just a single bombing raid. American fighter planes strafed the camp at Belson without provocation late in 1944, taking the lives of 40 innocent victims. The photographs of dead bodies piled high up in these camps are actually the bodies of German citizens who were killed in the bombing raids and not the bodies of jews.

Dr. Maurice Rossel, an official of the Swiss Red Cross inspected the camps at Auschwitz and Theresienstadt during the war. In 1993 he was interviewed on film by a certain Serge Lanzmann. During the interview Rossel stated specifically and clearly that he saw neither gas chambers nor pillars of smoke. And he did not detect the odor of burning flesh. At Theresienstadt the picture was only that of healthy, well-dressed, and wealthy individuals sitting out the war in total safety and comfort. [<http://www.biblebelievers.org.au>]

"The Allied Committee of Inquiry has to date proven that no poison gas was used to kill prisoners at the following camps: Bergen-Belsen, Buchenwald, Dachau, Flossenburg, Gross-Rosen, Mauthausen and satellite camps Natzweiler, Nevengame, Niederhagen (Wewelsburg), Ravensbruck, Sachsenhausen, Stutthof, Theresienstadt.

In all cases where gassings were alleged, it could be proven that torture had been used to extract confessions and witnesses have lied.

Any former inmate who, during their debriefing continues to allege that poison gas was used to murder people (in particular Jews), are to be reported to this office and if they insist on lying further, they are to be charged with perjury." The Murderous and Genocidal Bombing of Dresden

<http://www.bombenkrieg.net>

On 30 March 1942 a jewish physics professor, one Frederick Lindemann, sent a memorandum to Winston Churchill arguing the virtues of bombing civilian targets in Germany. In part the gruesome communication read:

"In 1938 over 22 million Germans lived in fifty eight towns of over 100,000 inhabitants, which, with modern equipment, should be easy to find and hit. Our forecast output of heavy bombers between now and the middle of 1943 is about 10,000. If even half the total load of 10,000 bombers were dropped on the built up areas of these

Fifty eight German towns, the great majority of their inhabitants (about one third of the German population) would be turned out of house and home."

Hastings, Max (1979) 'Bomber Command', pages: 127-128.

Even more to the point of brutality Air Marshall Arthur Harris wrote:

"The destruction of German cities, the killing of German workers, and the disruption of civilized community life is the goal." ... "It should be emphasized that the destruction of houses, public utilities and lives; the creation of a refugee problem on an unprecedented scale; and the breakdown of morale both at home and at the battle fronts by fear of extended and intensified bombing are accepted and intended aims of our bombing policy. They are not the by-products of attempts to hit factories." (25 October 1943)

Gigantic Profit Margins In The Holocaust-Hoax Industry

<http://www.ihr.org>

FoxNews.com- 25 August 2008

71 year old Misha Defonseca admits her autobiography- *'Misha A Memoir of the Holocaust Years'* is a complete lie, from first page to last. Under oath, in a jury trial Ms. Defonseca says she- *"never lived with wolves to escape the Nazi's, never killed a German soldier in self defense, and, never walked three thousand miles across Europe in search of her parents."*

Defonseca's slanderous fairy tale, published in 1997, became a best seller in Europe. It was translated into eighteen languages, and made the subject of a feature length movie in France.

Not surprising, in the United States her tall tale drew the interest of both the Disney Film Company and Oprah Winfrey. **Note:** As a public relations strategy Defonseca has her self photographed with dogs. To bolster the fantasy she grew to love wolves after living with them in caves for so very many soul tortured years (sic).

In a statement released by her attorneys Defonseca explains her sly, devious, typically jewish behavior, as follows- *"This story is mine, it is not actually reality, but my reality, my way of surviving."* In America Defonseca's sad story- her reality, her way of surviving- fooled a jury into awarding her 32.4 million dollars in a suit in which she alleged 'mismanagement' against her American publishing company. How many millions of euros did she bilk from the people of northern Europe with her hate provoking lies?

Holoco\$t Reparations, Or Blackmail?

According to the Journal of Historical Review (November – December 1998, (Volume 17, Number 6, page: 19)) from 1951 on up to 1998 the German Government paid out over 61.8 billion dollars in 'holoco\$t' damage claims to israel. What in the world for? The jewish population was **15.6 million** going into and **15.69 million** coming out of the war. Yet at this very moment jews are winning law suits against the German people on a totally false and slanderous allegation of- 'genocide' (sic). Could it be there are too many jewish lawyers and too many jewish judges in Germany?

Under the **Holocaust Insurance Accountability Act of 2007** the federal laws of the United States have been amended. That any jew living any where in the world may bring suit against any insurance company in the United States. For a triple damages settlement on an allegation of an unpaid insurance policy or annuity (The policy or annuity taken out at any time from 30 January 1933 on up to 31 December 1945). Why would a jew living in Germany during the Second World War, buy an insurance policy from a company in the United States? How many jews old enough to shop for insurance in the years from 1939 to 1945 are alive at the present moment?

Conservative estimates of the financial burden on the American people for this jewish Ponzi scheme range from a low of seventeen on up to a high of two hundred billion dollars.
